

MAHARAJA ALGORITHM Shows

* Save Compumagic Kingdom Show: for Yr 7-11 students

Help!!! I, Maharaja Algorithm, am about to loose my Compumagic Kingdom to Count Datacula. My assistants Bitsy and Parrotee will show you how to nibble at Count Datacula's game warehouse bit-by-bit, and finally, byte off all his cookies. Play games, win prizes and save my Compumagic kingdom.

16th August 2004, Yr 7, Gilmore Girls School, Footscray, Austrlia.
