

Monographs and Technical Reports

- * N. Sharda, The Future of Computing Discipline at Victoria University of Technology, A Discussion Paper in response to the Faculty of Science Review, June 1995, Victoria University.
- * R. Fatri, N. Sharda, Aditi deductive Database System and its Applications, Technical Report 44 COMP 14, October 94, Dept. of Computer and Mathematical Sciences, Victoria University.
- * R. Sharda, S. Bevinakoppa, H. Sharda, Parallel Implementation of Digital Image Compression Based on the JPEG Standard, Technical Report 32 COMP 6, Nov 1993, Dept. of Computer and Mathematical Sciences, Victoria University.
- * S. J. Singh, Nalin Sharda, PARSIM: A Language for Simulating Reconfigurable Parallel Processing Systems, Technical Report 28 COMP 5, June 1993, Dept. of Computer and Mathematical Sciences, Victoria University.
- * R. White, C. Osborne and N. Sharda, Parallel Implementation of the Walsh Hadamard Transform on T800 Transputer networks, Technical Report No 17 COMP 1, Nov 1991, Dept. of Computer and Mathematical Sciences, Victoria University.
- * N. Sharda, A Proposal for Networking the Computer Science Program Laboratories, Computer Science Program, Murdoch University, 1989.
- * N. Sharda, A Proposal for Implementing the SRI-NIC Internet Address, Computer Science Program, Murdoch University, 1989.
- * N. Sharda, A Proposal For Running The Course 'Computer Studies Project (M407)': A Discussion Paper, Computer Science Program, Murdoch University, 551989.
- * N. Sharda, A Three Dimensional Computing Structure: Architecture, Applications and Programming, Technical Report No: SHARDA 19880500, Computer Science Program, Murdoch University, Western Australia, 1988.
- * R. Mulchandani, N. Sharda, and I. P. Singh, MDTS-85, Microprocessor Development-Cum-Target System, Hardware Manual. Technical Report, IDD Center, IIT Delhi, Jan. '85.
- * R. Mulchandani, N. Sharda, and I. P. Singh, Resident System Software for MDTS-85. Technical Report, IDD center, IIT Delhi, Jan. '85.
- * N. Sharda and R. Mulchandani, Cycloconverter Trigger Programs CT00, IDDC, IIT Delhi, Oct. 1983.
- * N. Sharda and R. Mulchandani, Resident Assembler for 8085. Instrument Design Development center, IIT Delhi, Oct. 1982.
- * N. Sharda, and R. Mulchandani, SDK-85 Monitor Extensions ME04, IDDC, IIT Delhi, 1981.
- * N. Sharda, and R. Mulchandani, SDK-85 Monitor Extensions ME03, IDDC, IIT Delhi, 1981.
- * N. Sharda, SDK-85 Monitor Extension ME02, IDD center, IIT Delhi, 1980.
- * N. Sharda, SDK-85 Monitor Extension ME01, IDD center, IIT Delhi, 1980.
- * N. Sharda, Users Manual for Microprocessor Trainer Based on the Intel SBC/80-04 Single

Board Computer, IDD center, IIT Delhi, 1979.
